MOBILITY BRASS QUINTET

Mobility Brass Quintet is the newest performing group of the United States Air Force Band of Mid-America. With the traditional instrumentation of two trumpets, French horn, trombone and tuba, the ensemble is known for its versatility and outstanding musicianship.

A component group of the Band of Mid-America, their performance repertoire spans five centuries, from the glorious antiphonal sounds of the Renaissance to the rich diversity of American musical styles. Whether a military march, jazz standard or an original arrangement of patriotic favorites, each Mobility Brass Quintet program is thoughtfully planned for a blend of inspiration and entertainment. Its repertoire has universal appeal and includes special programming for younger audiences. This ensemble not only performs in concert halls and civic events, but also adds a distinctive presence to official military ceremonies and events of state.

These five gifted players proudly represent the skill and professionalism of the United States Air Force as musical ambassadors before military and civilian audiences throughout the band's ten-state area of responsibility.

He is responsible for organizing, training, equipping and deploying 60 Airmen Musicians in 14 different configurations throughout a 10-state region of more than 600,000 square miles. The band performs 400 missions annually that support U.S. Air Force and Air Mobility Command outreach and engagement priorities to increase public understanding of the importance of airpower, the dedication and sacrifice of Airmen, and to build relationships that enhance the reputation of the Air Force as

a respected, professional organization charged with an integral role in maintaining U.S. national security.

OVERVIEW

Whenever appropriate and possible, we would like our sponsors to:

- **Provide a concert venue that seats a minimum of 200 people with a stage area 20 feet wide by 15 feet deep.** Auditoriums are the optimal concert venue. The auditorium should have a permanent stage, although gymnasiums or auditoriums with portable stages will be considered. Concert sites with a smaller performing area will also be considered. Auditoriums are often scheduled a year in advance, so it is important that the site be reserved as soon as possible.
- **Execute a publicity campaign sufficient to ensure a capacity audience for the concert.** Publicity materials and recommendations for publicizing the concert are included in this guide. We are happy to provide publicity assistance.
- **Oversee ticketing** by either printing and distributing free admission tickets, including a 20% overprint of the capacity of the concert venue, or advertising e-ticket availability. Further ticket information is included later in this packet.
- **Reproduce a one-page program.** Program design will be provided by the Band of Mid-America Marketing Specialist for printing.
- **Arrange for ushers to pass out programs and collect tickets, if used.** House ushers or local volunteers work well.
- **Be available to meet the band and provide access to the venue** approximately two hours prior to the concert start time.

All USAF Band of Mid-America concerts must be free and open to the public.

These concerts are presented as a public service to the community FREE OF CHARGE. They are open to the general public regardless of race, color or national origin. The Band of Mid-America will not participate in any event that directly or indirectly benefits, or appears to benefit or favor, any private individual, sect, political or fraternal group, or is associated with solicitation of funds or solicitation of votes in an election. Unless discussed and authorized prior to a performance, fundraising activities or other collections in connection with Band of Mid-America Concerts are strictly prohibited.

EXPENSES

There is no fee for the Band of Mid-America. The United States Air Force pays all expenses incurred for travel including per diem, transportation and housing.

Any other costs, such as auditorium rental, lighting, heating, printing of programs and tickets, publicity, janitorial fees and the cost of hiring union labor when required, **are the responsibility of the local authorities or sponsor.** Often, companies will donate these services in support of a free community event.

SUGGESTED MARKETING PLAN

TIPS FOR MAXIMIZING CONCERT ATTENDANCE

The Band of Mid-America Marketing Representative is available to guide you through the marketing process and suggested timeline. He or she can also provide assistance with producing specific event marketing materials and provide assistance with utilizing social media for advertising.

While publicity campaigns will vary based on local needs, there are some standard marketing and media techniques to notify the general public of the event and assure it is well attended by your community. The following methods are time-tested and effective:

NEWSPAPER & LOCAL MAGAZINES - These print media sources will often donate ad space, provide a feature story or serve as a co-sponsor of the event. Two or three half to full page ads are the recommended amount per the suggested timeline.

BROADCAST MEDIA - Radio and cable television news programs often announce events based upon press releases and may schedule a broadcast interview opportunity.

INTERNET - Websites, online event calendars, news groups/forums, Facebook, Twitter, Instagram, and Email.

FIELD PROMOTIONS - Flyers, posters or cards displayed at local businesses and in prominent areas.

DIRECT MAIL - Use a mailing list to notify regular patrons, community supporters and VIPs; mailing lists may be obtained from organizations such as the Chamber of Commerce, school systems or veteran groups.

ORGANIZATION “WORD-OF-MOUTH” - Provide posters or post cards to community organizations to distribute to their members. Some examples include community bands, veteran groups, senior centers, downtown alliances, PTAs, etc.

GENERAL TICKET INFORMATION

TICKETING

REASONS TO DISTRIBUTE FREE TICKETS

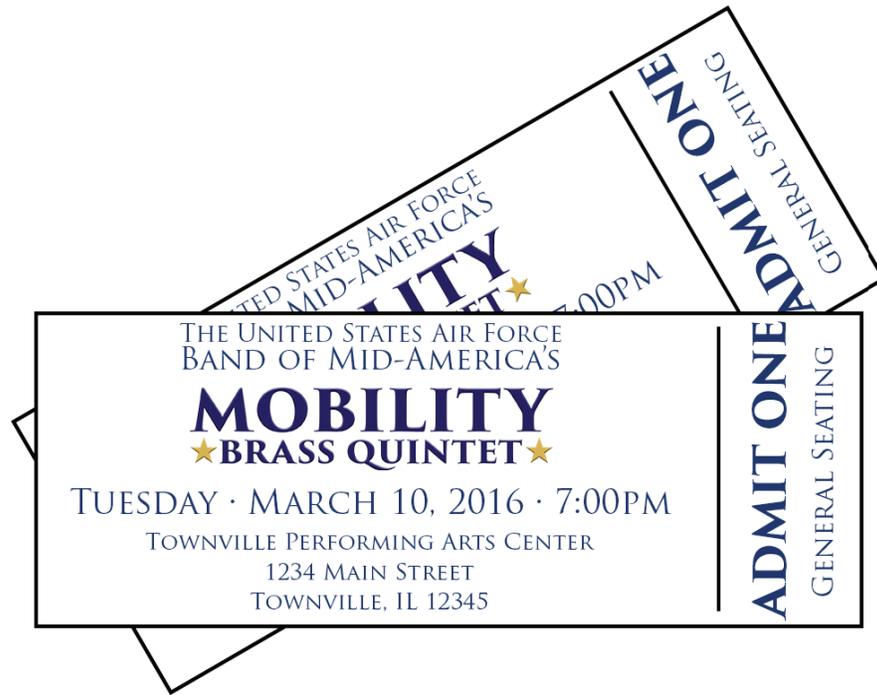

- Tickets are the single most important factor for attracting a large crowd. If people invest a few minutes of their time to mail a self-addressed stamped envelope to obtain tickets, or fill out an online request for an e-ticket, they are much more likely to come to the show!
- Tickets provide a place for the sponsor to put their good name next to our good name. Keep in mind that people generally take tickets and programs home as souvenirs. Every time they look at them, they will remember our professional, patriotic performance and see that you, the sponsor, made the concert possible.
- Past experience has proven that advertising campaigns which effectively use tickets are quite successful.
- Ticketing allows us to monitor the effectiveness of our publicity campaign and keep track of the expected attendance.

GENERAL TICKETING PRACTICE GUIDELINES

- **Access to our concerts must be free.**
- **Overprint and distribute at least 20 percent more tickets than the seating capacity of the venue.** Do not fear the possibility of having to turn away ticket holders! The Air Force Bands have been doing this all over the country for decades, and history has consistently shown that approximately 75% of ticket holders attend the concerts.
- **Print “All ticket holders must be seated 10 minutes before the performance”** on all tickets. For example: 6:50pm for a 7:00pm show or 2:50pm for a 3:00pm show. At 10 minutes prior to the concert, any remaining seats will be opened to patrons without tickets.
- **Do not number tickets.** All tickets should be “General Admission” and not numbered or correspond to specific seats in the hall. All tickets should look the same. Stress that all seating is general admission and there is no reserved seating (see Miscellaneous section for a possible exception)
- **Avoid giving out large blocks of tickets to groups.** If there are community groups (high school bands, retirement homes, etc.) who wish to request a large group of tickets, ask for an exact count so that unused tickets may be distributed.

PRINTED TICKETS

If the ticketing option you choose is printed tickets, the Marketing Specialist can help you design them. Always use a single point of distribution for your tickets. Check with your venue; there may already be a process in place. If there is not a process in place, we can guide you through the steps.

E-TICKETS

E-tickets (electronic tickets) are also an option for part or all of your ticket distribution. The Band of Mid-America Marketing Specialist will be happy to discuss which option is most appropriate for your venue and anticipated audience. If you wish to use e-tickets and don't have an account from which to do this, the Marketing Representative will assist with setting you up with one. When choosing e-tickets for part or all of your tickets, we still ask that you distribute 20% more tickets than the venue seats.

CONCERT PROGRAMS

PROGRAMS

Two to three weeks prior to the concert, you will receive an email with a .PDF file of the program for you to print. There is space available on the cover for local information, including the name and/or logos of our community partners. Advertising in the program is strictly prohibited. The band can provide assistance with printing programs if needed. Contact the Marketing Specialist for further details on the assistance we can provide.

USHERS - While seating will be on a non-reserved basis, sponsors should provide ushers to collect tickets and distribute programs. Local Scout Troops and Jr. ROTC units can fulfill their community service requirements this way.

RESERVED SECTION FOR SPECIAL GUESTS - We encourage you to designate a special section of reserved seating for certain dignitaries (i.e. Senator, Mayor, military members). Remember, the larger the section the more difficult it is to control.

INTRODUCTION OF THE BAND - Since the band has a special opening production, there is no requirement for an introduction by a local personality. However, if you would like to introduce us, you are welcome to do so.

PRESENTATION OF THE COLORS - Our concerts will always include the National Anthem. Occasionally, there may be a local veteran or scouting group who would like to present the colors. We welcome and encourage their inclusion in our concert! Please coordinate this with the Tour Manager.

PUBLIC THANK YOU - The band always recognizes our community sponsors during our performances. Please let us know the names and titles of the people to be recognized so that we may publicly thank them during the concert.

PHOTOGRAPHS - We encourage you to take photographs of the band during performances. We would appreciate copies, preferably in digital format, of any pictures that are taken. Additionally, local newspapers will often feature a photo in the newspaper the day following the event.

SOCIAL MEDIA: The USAF Band of Mid-America is active on several social media sites and would love to connect with you and your community.
